Alliance Financial Credit Union is member driven financial cooperative. Our goal is to provide personalized financial services in a professional and confidential manner. Organized in 1954, we offer a complete line of financial services including savings and lending services. We proudly serve the firefighters, retired firefighters and volunteer firefighters of Oak Park, River Forest, and Berkeley and their families in addition to other employer/associational groups. Normal rates, guidelines, policies, membership qualifications apply. Call the office for details. IFSA logo used with permission from the Illinois Fire Safety Alliance.

The purpose of the Alliance (Illinois Fire Safety Alliance) is to bring together persons or groups with a common interest in fire safety, burn prevention, and public education, and to promote programs and disseminate information related to fire safety and burn prevention. Burn Camp provides a setting for burn survivors to share their common experiences while being able to play and not feel self conscious about what others may be thinking of their scars. Burn Camp provides campers with some of the best friends they will ever make. After camp, the children will continue on with their own lives but it will be different they will have new friends and realize they are not the only one with a burn injury.
